FULL COUNCIL

13 DECEMBER 2023

Councillors debated the budget savings proposals as recommended by Cabinet. Councillor Beaver proposed that the question be now put, seconded by Councillor Edwards.

RESOLVED that the question now be put.

The Mayor moved to the vote.

RESOLVED (by 14 votes for, with 14 abstentions):

Full Council approve the draft Budget Savings proposals and those that can be implemented as soon as practicably possible.

Reasons:

1. Current estimates are that £4m savings are required to cover the council's budget deficit in 2024/25. This deficit has been largely created by cuts in local government funding over the past decade and more recently exacerbated by the housing and homelessness crisis in Hastings.
2. Due to the seriousness of the council's budget position, proposals for addressing the funding gap have been brought forward for earlier consideration. This will enable the council to start work on implementing the agreed proposals before the start of the new financial year and will positively impact on our ability to achieve savings in the timescale required.

39. REPORTS OF COMMITTEES

Minute 23 of Cabinet on 4th December 2023, Fees and Charges, was not called for discussion.

(The Mayor declared the meeting closed at 7.22pm)
