- The average points on entry indicates that students enter Sixth Form with a C grade average at GSCE
- Students on Vocational programmes make expected progress but progress overall across Key Stage 5 is not as strong
- Single Year T-Score indicates a dip in performance on the previous year but this looks set to improve with a far superior single year T-Score at AS Level
- Overall attainment is in line with national averages for end of Key Stage 5
- AS-Level attainment is better than the national average by a margin of 7%
