The Planning Officer presented the application for a variation of condition 1(hours of use) of Planning Permission HS/FA/21/00829, there are no updates.

Councillors were shown plans and photographs of the application site.

The change of use is to allow for the additional session of up to 10 children on a Sunday and quiet sessions and workshops for young people and carers one or two evenings a week. A noise assessment has been submitted and reviewed by the EnvironmentalHealth and no objection.

The Committee asked questions to the officer.

Cllr Evans asked the Officer about concerns from residents regarding parking and how many users would be at a session. The Officer answered there would be a maximum of 10 children at each session. Cllr Evans asked if a survey regarding parking has taken place. The Officer answered there had not been a parking survey. The Planning Service Manager explained that issues regarding parking can be raised in debate.

Councillors debated and requested an additional informative.

The Planning Service Manager suggested an informative note number 5  
“The applicant is advised that an information pack should be provided to existing and future clients to set out a) that customer parking should be within the site only and not on the road, where possible and b) that the children's outside playspace should be carefully controlled including keeping noise levels to a minimum”.

Councillor Beaver requested a slight change to the wording to include the words, where possible and subject to that change.

Cllr Beaver proposed approval of the recommendation with the additional informative #5, seconded by Councillor Sinden.

**RESOLVED (Unanimously)**
