Annex 3 – Conditions attached after a hearing by the licensing authority

DATE OF HEARING: 25th October 2005

RESOLVED (unanimously) that the application be granted in part, in that the hours of supply of alcohol be increased to Sunday 10am to 11.30pm. To allow live music Sunday 11am to 11pm and Monday to Wednesday 9am to 11pm and to allow recorded music Thursday to Saturday 9am to 12am and Sunday to Wednesday 9am to 11pm. To remove all embedded restrictions contained within the Licensing Act 1964 (Except the Permitted hours on New Years Eve), Credit Sales and Children in bars. To remove all conditions/restriction contained within the public entertainment license. To remove conditions/restrictions contained in the children's certificate as to when persons under the age of 14 may be allowed on the licensed areas of the premises. In addition to this the following conditions also apply:

- 1. There shall be no use of the external tables after 23.00hours and no music, live or recorded, shall be played externally at any time;**
- 2. Noise and music arising from the licensed premises shall be barely audible at the façade of, or in, any residential premises after 23.00hours. For the avoidance of doubt noise shall include that arising from all mechanical or electrical equipment used by the premises and that noise arising from customers in the premises;**
- 3. Live music shall not be played after 23.00hours;**
- 4. A prominent and clear notice shall be maintained at each exit asking patrons to “please consider our neighbours and leave the area quickly and quietly”; and**
- 5. A responsible member of staff shall be in attendance in the vicinity of the premises after 23.00hours until close of business to ensure patrons disperse quickly and quietly.**

The reason for granting this application was as follows:

Members were satisfied that the application as varied, with the addition of the above-mentioned conditions, meets the four Licensing Objectives. The imposition of the conditions promotes the licensing objective of the prevention of public nuisance.

DATE OF HEARING: 15th October 2009.

RESOLVED (unanimously) that the application be GRANTED IN PART and to REFUSE the remainder of the application.

The agreed decision was:-

- 1. To amend the times authorised to carry out the following licensable activities namely, Indoor Sporting Events, Recorded Music and Dancing to the same times as authorised for the Supply of Alcohol, (Monday to Wednesday 09.00hrs to Midnight), Thursday to Saturday 09.00hrs to 01.00hrs and Sunday 1000hrs to 23.30hrs.**

Annex 3. Continued: Conditions attached after a hearing by the licensing authority

In recognising the concerns raised about the specific issues under the Licensing Objectives, the application is granted subject to the following condition:

“Noise and music arising from the licensed premises shall be no more than barely audible, as perceived by an authorised officer of Hastings Borough Council, at the façade of any building containing residential premises at any time. For the avoidance of doubt noise shall include that arising from all mechanical or electrical equipment used by the premises and that noise arising from customers in the immediate vicinity of the premises”.

The Committee refused the following:

The Committee refused to remove the following two conditions on the existing licence, namely

- 2. Remove conditions that live music shall not be played after 23.00 hrs**
- 3. Remove the conditions that there shall be no use of the external tables after 23.00hrs**

The Committee refused to add a new condition to the licence, namely

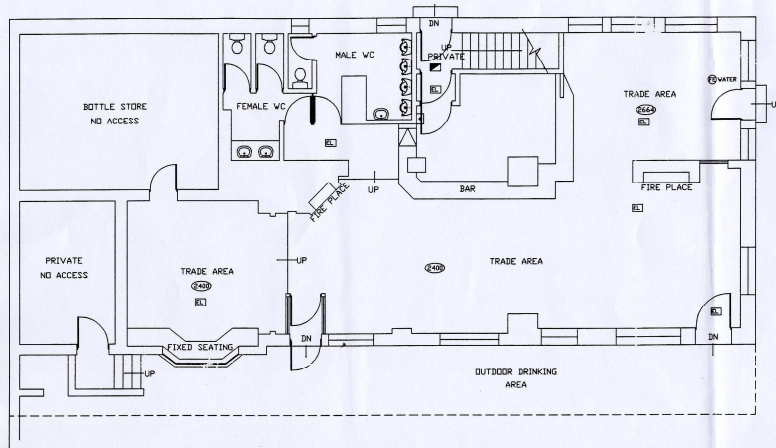

- 4. To ensure that tables, chairs and barriers placed outside the licensed premises on the highway in the area designated by the Highway Manager are taken out of use within 5 minutes of the end of the authorised opening hours.**

The reason for this decision is:

That the Committee having heard all of the evidence put before it are not convinced that the removal of the two conditions and the addition of the proposed new condition are commensurate with the prevention of crime and disorder and the prevention of public nuisance.
