Annex 2 – Conditions consistent with the operating schedule

General

The prevention of crime & disorder

The applicant agreed to the following conditions, requested during the consultation process, by the District Commander, Hastings Police, as follows:-

1. The system will incorporate a camera covering the entrance doors and the alcohol display areas and be capable of producing an image which is regarded as identification standard. The precise positioning of the cameras has been agreed with Anthony Masters, Licensing Officer.
2. The system will incorporate a recording facility and any recording shall be retained and stored in a secure manner for a minimum of 31 days and made available, subject to compliance with Data Protection legislation, to the police for inspection on request.
3. The system will display on any recording, the correct time and date of the recording.
4. The system will be maintained and fully operational throughout the hours that the premises are open.
5. Train adequate members of suitable staff to use the CCTV system to its full potential thus ensuring that a member of staff is always available to replay footage and download material following an incident.
6. Maintain an incident book at the premises and ensure that all staff use it to record details of any incident of crime or disorder including date and time, details and/or descriptions of the people involved, exact location of the incident and which staff are present when the incident took place. The use of such a book will ensure that all staff are aware of any ongoing problems and the persons responsible.
7. To adopt the 'best practice' as outlined in the revised Guidance issued under Section 182 of The Licensing Act 2003 published on 9th July 2009 in relation to written authorisation for staff who are not personal licence holders, to permit them to sell alcohol. (In section 10.52 the Secretary of State strongly recommends that, *'personal licence holders give specific written authorisations to individuals that they are authorising to retail alcohol. A single written authorisation would be sufficient to cover multiple sales over an unlimited period. This would assist personal licence holders in demonstrating due diligence should issues arise with enforcement authorities; and would protect employees if they themselves are challenged in respect of their authority to sell alcohol.'*)
8. A 'Challenge 25' policy be adopted and only photographic ID such as a passport or driving licence be acceptable. Staff are to be trained to request the appropriate ID from anyone who appears to be under the age of 25 years, and that alcoholic drinks are refused unless that ID is produced.
9. A refusals register shall be kept near the point of sale and all refusals shall be recorded. The DPS shall take responsibility for training staff in the use of the register and will regularly check to ensure entries are being made". The register will be made available to the police or licensing authority when requested.
