## Introduction

The Museum website, [www.hmag.org.uk](http://www.hmag.org.uk), was set up in 2003 by HBC IT Dept.

Museums staff keep the News and Calendar sections up to date. The other sections are updated by the Communications dept, following requests from staff. All phone numbers and contact details are currently correct, and events are in the Calendar to the end of 2010.

The only part of the website which appears to be out of date is the Virtual Tour of the Durbar Hall, which has not been changed since the displays were altered during the HLF refurbishment project.

The Council is overhauling all of its websites over the next 6-8 months and, as part of this process, the contents of [www.hmag.org.uk](http://www.hmag.org.uk) will be reviewed and refreshed.
