## Introduction

A request has been received from the editor of Bohemia Village Voice to borrow the model of Bohemia House to display in the shop window at 79 Bohemia Road for July and August.

The request follows on from discussions between the editor, Sarah Janes, and the Curator following the interest shown in the Home and Colonial Stores sign when it was on display in the shop.

The model of Bohemia House was made by J Manwaring Baines at the time of the demolition of the building in the 1970s and is based on plans, photographs and site visits made at the time.
