Introduction

1. Part II of the Council's Corporate Plan sets out the targets and milestones which the Council is committed to achieving during 2012/13. The Overview and Scrutiny Committees play a key role in publicly reviewing performance against these targets on a quarterly basis.
2. The Corporate Plan was agreed by Full Council in February 2012 alongside the Budget for the same period.

Performance in Quarter 1 2012/13 (1st April to 30th June)

3. The performance report attached sets out progress against targets and performance indicators for the period.

4. An exceptions summary is included for those annual targets by service. 'Exceptions' are defined as those targets that are not meeting expected performance and those that have been achieved or exceeded target.
5. The Council agreed a set of Performance Indicators (PIs) for 2012/13 to focus performance management on those issues that are important to local people and that give an overview of the Council's performance. Performance against these PIs is reported in the main body of the text.
6. Each of the Corporate Plan targets is tagged with a status comment as either:

Achieved:	Target has been delivered successfully – as defined by the measure listed
On Target:	Confident target will be delivered as worded by year-end or by date specified.
Slippage Possible:	There are concerns about ability to deliver within the year
Will not meet target:	Either due to change in external circumstances or for internal reason e.g. resources, re-prioritised etc.

7. Progress against Performances Indicators are identified by the following key:

-  Indicators that have met target
-  Those that have not met target

 Direction of Travel (DoT) from the same quarter last year is shown by a tick for improvement, or a cross for deterioration. Arrows up or down also show whether figures have risen or fallen (better performance will be shown by increasing or decreasing figures for different indicators).

8. Performance information is published and updated each quarter as soon as full information for the Council has been internally agreed:
