14. **'FIT AND PROPER' TEST FOR OPERATOR'S LICENCE**

The Corporate Director, Environmental Services, submitted a report regarding a licensed operator who was in breach of conditions.

The purpose of the report was to determine if the Licenced operator was a "Fit and Proper" person to hold an operator licence.

The licensed operator was present, together with her husband and was represented by her solicitor, Mr Lake.

Mr Lake also circulated a written submission on behalf of his client for Members to consider. The Committee were given the opportunity to read the information.

Councillor Rogers proposed a motion to grant the Operator's Licence, which was seconded by Councillor Sinden.

RESOLVED by (4 votes to 0, with 1 abstention) that the operator is a "Fit and Proper person" to continue to hold a Private Hire Vehicle Operator's Licence.

Reasons for this decision: The Operator has resolved the issue of insurance. There had been a relationship of trust with the insurance broker. The Operator had no reason to believe that they were not insured. However, the Committee commented that in running a business the Operator should be aware of whether they have the correct insurance certificates and keep records of business transaction as legislation requires.

The Committee want the Operator to be aware that any further incidents of this nature that would necessitate the Operator being brought before them again would be taken seriously.

The driver was in attendance and made a submission.

With the agreement of the Chair and the applicant, the Licensing Manager circulated further information for Members to consider in relation to the report. The Committee were given the opportunity to read the information.
