### **AGENDA**

1. Apologies for Absence
2. To approve as a correct record the minutes of the Full Council meeting held on 14 December 2016 and the Special Council meeting held on 18 January 2017
3. Declarations of Interest
4. Announcements from the Mayor and Leader
5. Questions (if any) from: -
  - a) Members of the public under Rule 11
  - b) Councillor under Rule 12
6. Motion (Rule 14)  
Councillor Chowney to propose that:

“This council notes with concern the continued conversion of all schools in Hastings to academies. We believe that by taking schools out of local authority control, and reducing the powers and

responsibilities of governing boards, educational performance are not necessarily improved and a less rewarding educational experience for students can be created through a narrower curriculum.

There are now currently only two schools left in Hastings that have not converted to academies, and at one of these, Castledown Primary, there is now a proposal to convert this school to an academy too.

Parents are concerned about this for two reasons: firstly, because many parents chose Castledown because it was not an academy, and the conversion of this school to an academy reduces further the choice available to parents; and secondly, because only one academy sponsor chain is being considered, which again limits any choice parents might wish to make over the future of the school.

This council therefore supports parents in their campaign to oppose the academisation of Castledown School without any alternatives being presented, and calls for the current plans to be halted immediately so that parents, governors, staff, and other stakeholders can explore all possible options to improve standards and effectiveness of teaching at the school. We further call upon the Leader of the Council to write to Amber Rudd MP and the Lead Member for Children's Services at ESCC to raise these concerns, and ask ESCC if further support can be given to Castledown to restore the high standards and good Ofsted results it had in the recent past."

7. Membership of Committees

To give effect to any request received from a political group for a change in their representation on committee(s)

8. Reports of Committees
