

## HASTINGS BOROUGH COUNCIL

### Forward Plan of Cabinet Decisions - November 2017 to February 2018

The Council is required to publish a forward plan of all key decisions to be taken in the following four months. The first plan commenced on 1st November 2001 and is updated monthly. Since April 2004 the Forward Plan has been expanded to show details of all decisions that the Cabinet intends to take.

The Plan shows:-

- When those decisions will be made
- Who will make the decisions
- What the consultation arrangements are
- What documents relating to those decisions are available

The Council has determined that the Cabinet will make decisions collectively and individual Councillors will not therefore make decisions on their own other than in cases of urgency. The Council has determined that officers will not be taking key decisions on behalf of the Council or the Cabinet.

Meetings of the Cabinet are held monthly and may be at various locations around Hastings and St Leonards. They are open to members of the public. Information about the time and venue for a particular meeting may be obtained from the agenda (available at the Community Contact Centre, address below), from the Councils website or from the Committee Administration Section (Telephone: (01424) 451764, or e-mail [committee\\_admin@hastings.gov.uk](mailto:committee_admin@hastings.gov.uk)).

The Council has decided that key decisions will include decisions that involve expenditure or savings of above £250,000. It also includes decisions which although not having a significant financial effect nevertheless have a significant effect on communities living or working in an area comprising two or more wards.

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 came into effect on 10<sup>th</sup> September 2012. These regulations require that the Council gives 28 clear days notice of any decision it intends to make in private (other than in cases of urgency wherein other processes need to be followed). The column in the attached table identifies whether or not each individual item will be wholly or partly decided on in private, and will give a statement of reasons for doing so. Members of the public may make representations to the Council before the date of the meeting as to why they consider the meeting should be held in public – the
