Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Employ SIA registered door guards when appropriate, join pub watch and street specific organisations. We will liaise and work with other bar and licence holders in the area. We will engage a strict appropriate behaviour and over age 25 policy and will train staff to be able to recognise behavioural warning signs and provide management procedures for handling different situations to prevent disorder, nuisance and noise. The terrace will be used time appropriately and the smoking area will be managed to contain guests and reduce nuisance. We will engage with authorities to ensure that we comply with all legislation, be a responsible organisation and minimise the opportunities for nuisance caused by patrons.

b) The prevention of crime and disorder

We will install a managed CCTV system that provide clear pictures in order that faces, and vehicle registrations are recognisable.

In addition to CCTV, our staff will be trained to recognise behavioural cues and management procedures to dilute and dissipate disorder.

We will implement the Challenge 25 protocols and request appropriate ID (a card bearing the PASS hologram, a photographic driving license or a passport) in order to enter the premises. All refusals will be recorded, and the refusals register will be checked regularly by DPS / personal licence holder. Staff will be trained in the responsible sale of alcohol, with documented proof of all staff authorised to sell alcohol in writing. Training records will be kept and made available to police or authorised officers of the local authority when requested. Refresher training will given when needed.

Our SIA trained door staff will be on hand to ensure swift and considered action. We will not serve alcohol to individuals exhibiting signs of drunkenness and have a zero tolerance to drugs policy. Our SIA operatives will follow SIA protocol and professional behavioural standards. We will engage SIA door supervisors for evenings ending after 23.00 hours until finish though some evenings may require an earlier start time - subject to what is happening either locally, nationally, or due to intelligence. Our SAI security team will be vigilant in the identification and search for drugs and weapons and will implement a gender appropriate search where necessary, following appropriate protocols eg. a gender appropriate SIA professional will inform the patron that a search is necessary and ask to take their bag in order to make the search. If the patron does not consent to a search, (which they are perfectly entitled to do), they will be prevented from entering the building. If any contraband is found on the person, the SAI professional will follow SIA policy and protocols, secure the contraband in the safe and detain the person in a secure location nr the entrance/exit until the police arrive.

Our team will liaise with other local licence holders and partake in Bar watch evenings. We will develop a good working relationship with the police and will work with street organisations and other bars and licence holders to share information, best practice and resources.

c) Public safety

A fire safety risk assessment for the business will be current and in place as will a health and safety assessment. We will hold an appropriate and up to date first aid kit and several of our staff will be trained in first aid. We will adhere to all food safety requirements and several of our staff will be trained in food hygiene. South Star will be registered as a Food Business Operator.

d) The prevention of public nuisance

The location and structure of the building is suitable for the entertainment we will offer with effective sound insulation, glazing and structure. Sounds will not be audible outside sound sensitive property between 2300 and 0700. The sound system will enable us to control and monitor volume and Bass vibrations to ensure zero nuisance. Windows and doors will be kept shut and fitted with alarms to alert staff if they have been opened – ventilation will be provided by other means. Loudspeakers will be kept away from party walls and we will use acoustic or sound absorbent mats where appropriate. Music will be reduced prior to close and our door staff and security will encourage rapid and quiet exit and dispersal at the end of the night. Our team will offer effective management of entertainers, good communications with neighbours, and taxi companies. Refuse will be collected after 0700 and the handling of refuse will be avoided between 2300 and 0700. Smoking will be limited to a designated area and noise levels monitored, butts and refuse cleared up. We will use noise limiters and staff will monitor noise and record their findings for inspection if requested.

e) The protection of children from harm

We will implement the Challenge 25 protocols and request appropriate ID (a card bearing the PASS hologram, a photographic driving license or a passport) in order to enter the premises. All refusals will be recorded, and the refusals register will be checked regularly by DPS / personal licence holder. Where a forged ID is identified, it will be retained and placed in our safe with a CCTV identifier time stamp, the information recorded in the refusals register and the information provided to police where appropriate.

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
