

Managing Director Decision Record

Date: 8th December 2021

Item: Agreeing the Public Convenience Cleaning Contractor from April 2022.

Report by: Mike Hepworth, Assistant Director, Environment and Place

Decision Type: Cabinet

Decision:

1. Subject to the satisfactory completion of due diligence checks, to award contractor 3 the contract of providing PC cleaning services for Hastings Borough Council from 1st April 2022 on an initial term of 3 years, with the option to extend for 2 + 2 years.

Reasons:

1. The current PC cleaning contract comes to an end on 31st March 2022. This contract has been extended as far as it can, and therefore a new contract is required. Following a competitive tender exercise which received 5 tenders, the East Sussex Procurement Hub has advised that contractor 3 is the most economically advantageous tender for this essential service from 1st April 2022. At the time this report was drafted they were completing the due diligence checks.

As required by Rule 26.22 of the Council's Constitution this decision was made in consultation with:
