Reasons for Recommendations

The Sub-Committee must consider the oral representations and information given at the hearing before reaching a decision

Introduction

1.0 Background

1. On 7th February 2005 the Licensing Act 2003 came into force for all local authorities, marking the practical commencement of the Government's new liquor licensing regime.
2. On the 8th December 2021, Hastings Borough Council was served a Temporary Events Notice in respect of **Dragon Bar, 71 George Street, Hastings, TN34 3EE. (Attached at Appendix A).**
3. This premise holds a licence to operate until 23.30hrs under the Licensing Act 2003(**Attached at Appendix B**), The premise is located within Area 2 (Hastings Old Town) of the Council Special Saturation Policy (Cumulative Impact).

2.0 Application

4. The TEN application requests the following:

31st December 2021 23.00 hours until 02.00 hours on the following day, the 1st January 2022, for the public, then until 04.00 hours for staff and family.

3.0 Consultation

5. The Act provides for periods of notice and the number of events that may be held. Notice must be given to the Licensing Authority, Police and Environmental Protection ten working days before the beginning of the event period. The Police and Environmental Protection then have three working days to lodge objections with the Licensing Authority and Applicant. A copy of the Police objection notice to the TEN, which was received on 13th December 2021, is attached at **Appendix C**. Environmental Protection have not made any representations.
6. Objections must relate to the undermining of the licensing objectives, the prevention of crime and disorder, public safety, the prevention of public nuisance, the protection of children from harm. Copies of the application are required to be served on a list of responsible authorities at the same time as placing the application before the local authority, this has been done.

4.0 Legal Considerations

7. Part 5 of the 2003 Licensing Act provides a system of permitted temporary activities, under which licensable activities can be carried out on a temporary basis (for a period not exceeding 7 days) without the need for a premises licence or a club premises certificate.
8. If an objection notice to a temporary event notice is made by a responsible authority and no compromise can be reached between the parties, a hearing must be held.

9. Paragraph 7.28 of the Section 182 Guidance sets how the Authority should decide what actions are appropriate.
10. If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection unless all parties agree that this is unnecessary. The licensing committee may decide to allow the licensable activities to go ahead as stated in the notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions (a “notice (statement of conditions)”) and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.
11. The Department for Culture, Media and Sport has issued guidance under Section 182 of the Licensing Act 2003. This guidance is provided to Licensing Authorities to assist them in carrying out their functions.
12. All members of the Licensing Committee have been supplied with copies of the DCMS Government guidance and the Hastings Borough Council Statement of Licensing Policy.
13. Human rights considerations must be taken into account fully in balancing licensing issues, in particular, Article 1 of the first protocol and article 8. Article 1 relates to the protection of property and the peaceful enjoyment of possessions and property. Holding a premises licence would be considered a possession. Article 8 relates to the right to respect for private and family life, home and correspondence. These are however qualified rights and can be deprived of “in the public interest”. Interference is permissible if what is done:-
 - Has its basis in law;
 - Is necessary in a democratic society to fulfil a pressing need or pursue a legitimate aim;
 - Is proportionate to the aims being pursued; and,
 - Is related to the prevention of crime; or, the protection of public order or health.

If members choose to issue a counter notice, the applicant has a right of appeal to the Magistrates’ Court within 21 days but no later than five working days before the day on which the event period specified in the temporary event notice begins. There is also a right of appeal to conditions imposed as a result of the hearing by any person affected by the decision.

5.0 Options

- Issue a Counter notice (refusal)

- Not issue a Counter notice (grant)
- Grant the TEN with conditions (as per existing conditions upon the licence)
