Hastings Borough Council

Pay Policy Statement for the year 1 April 2022 to 31 March 2023

Introduction

1. This pay policy statement under section 38 of the Localism Act 2011 shall apply for the financial year 2022- 2023 until amended.
2. The purpose of the statement is to provide transparency regarding the Council's approach to setting the pay of its employees by identifying:
 - the methods by which remuneration of all employees are determined, including the remuneration of its most senior staff;
 - the arrangements for ensuring the provisions set out in this statement are applied consistently throughout the Council.
3. This statement applies to all employees under the following conditions of employment:

JNC for Chief Officers of Local Authorities
NJC for Local Government Services
4. The council defines its senior management as:
Managing Director
Assistant Directors
General Managers/Professional leads who are directly accountable to a statutory or non statutory officer in respect of all or most of their duties (excluding roles which are clerical or secretarial). Such officers are invited to provide expertise in their role as head of their profession.
5. This Pay Policy will operate subject to any requirements regarding exit payments pursuant to the Enterprise and the Small Business, Enterprise and Employment Act, 2015 and associated regulations.

The Council's policies for setting remuneration

6. In determining its grading structure and setting remuneration levels for all posts, the Council takes account of the need to ensure value for money in respect of the use of public expenditure, balanced against the need to recruit and retain employees who are able to meet the requirements of providing high quality services to the community, delivered effectively and efficiently and at times at which those services are required.
7. With the exception of the Managing Director and Assistant Directors, the Council uses the nationally negotiated pay spine as the basis for its local grading structure. The grade of a post is determined by application of an agreed Job Evaluation process. The value of scale points changes in line with national agreements, including any "cost of living" increases, the most recent of these at the time of preparation of this policy, was a 2.75% increase effective from 1st April 2020 – negotiations for April 2021 have still not concluded.

Grade and Salary Band (from 1st April 2020) – negotiations still ongoing for April 2021 pay award

Grade	Salary Band
11	£18,328 to £19,312
10	£19,312 to £20,493
9	£19,698 to £22,183
8	£20,903 to £24,491
7	£23,080 to £27,041
6	£25,481 to £30,451
5	£28,672 to £33,782
4	£32,234 to £36,922
3	£34,728 to £40,876
2	£39,880 to £45,859
1	£44,863 to £51,754

8. All other pay-related allowances are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery and/or as determined by Council policy.
9. New appointments will normally be made at the minimum of the relevant grade, although this can be varied where necessary to secure the best candidate. From time to time it may be necessary to take account of the external pay market in order to attract and retain employees with particular experience, skills and capacity. Where possible, the Council will ensure the requirement for such approaches is objectively justified by reference to clear and transparent evidence of relevant market comparators, using appropriate data sources available from within and outside the local government sector.
10. There are a number of pay points within each grade. For staff not on the highest point within the band, there is a system of annual progression to the next point on the band. Faster progression is possible for posts identified and evaluated as career grades.
11. Regarding the equal pay requirements of the Equality Act 2010, the Council ensures there is no pay discrimination within its pay structures and that all pay differentials can be objectively justified through the use of equality proofed job evaluation mechanisms which directly relate salaries to the requirements, demands and responsibilities of the role.

Chief Officer Grade Range pay rate (officers who are JNC Chief Officers Terms and conditions of employment)

12. Chief Officer pay is £113,025 (value at 1st April 2020)

Chief Officers

13. The Council's policy and procedures regarding recruitment of Chief Officers are set out in the Officer Employment Procedure Rules in Part 4, Section 30 of the Council's Constitution. The determination of the remuneration to be offered to any newly appointed chief officer will be in accordance with this pay policy statement and other relevant policies in place at the time of recruitment. In the case of recruitment of Directors and Assistant Directors, the decision on remuneration will be taken by the Employment Committee. Any appointments at this level

offering a salary in excess of £100,000 would require approval by Full Council. Where the Council is unable to recruit to a post at the designated grade, it may consider the use of temporary market forces supplements in accordance with its relevant policies.

14. Where the Council remains unable to recruit Directors or Assistant Directors under a contract of service, or there is a need for interim support to provide cover for a vacant substantive Director or Chief Officer post, the Council will, where necessary, consider engaging individuals under 'contracts for service'. These will be sourced through a relevant procurement process ensuring the council is able to demonstrate value for money from competition in securing the relevant service.

Additional payments

15. In addition to the basic salary for the post, staff are or may be eligible for other payments under the Council's existing policies. Some of these payments are chargeable to UK Income Tax and do not solely constitute reimbursement of expenses incurred in the fulfilment of duties:

This is because it is the lowest pay band operated by the Council for permanent staff. Hastings Borough Council ensures its lowest paid employees are paid the current published UK Accredited Living Wage or higher.

Relationship between remuneration of chief officers and remuneration of employees who are not chief officers

18. The Council's ratio of pay at the top, to pay at the median is currently 1:4.1. The Council will look to ensure the ratio does not exceed the national average for the public sector. This ratio is based on basic salary only, excluding variable pay and benefit in kind.

Payments on termination etc.

19. The Council's approach to statutory and discretionary payments on termination of employment is set out within its Early Termination of Employment – Compensation Policy which includes the written statement in accordance with regulations 5 and 6 of the Local Government (Early Termination of Employment) (Discretionary Compensation) Regulations 2006. At the time of preparation of this policy statement, the policy is:

- to pay statutory redundancy payments in accordance with the Employment Relations Act 1998, which provides for a maximum calculation of up to 30 weeks' pay, multiplied by two. The payment will be based on an employee's actual weekly salary rather than the figure set by the Government.
20. The Council's policy is normally not to make any awards under the Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011: this constitutes its written policy statement under the regulations.
 21. Any large severance payments will be considered by the Employment Committee and referred to full Council for approval. Large payments would be those in excess of £95,000 including salary paid in lieu, redundancy compensation, pension entitlements, holiday pay and any bonuses, fees or allowances paid. Tapering provisions will be implemented using Government guidelines when they become available
