a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

The opening hours as per part of the application will be an express condition of the licence although this condition shall not be construed as imposing any requirement on the premises licence holder to trade the totality of those hours.

The Premises Licence Holder will ensure that all staff members, in selling alcohol, at the premises shall receive the following induction training. The training will take place prior to the selling of such products: *The lawful selling of age restricted products
*Refusing the sale of alcohol to a person who is drunk

Further verbal reinforcement/refresher training covering the above will be carried out thereafter at intervals not to exceed 8 weeks, with the date and time of the verbal reinforcement/refresher training documented.

All such training undertaken by staff members will be fully documented and recorded and signed by both the employee and the DPS. All training records will be kept on the premises and made available to Sussex Police, officers of the local authority and officers from the Trading Standards team upon request.

A list of staff members who are authorised to sell alcohol on the premises will be kept. This will be endorsed by the DPS with the date such authorisation commences.

b) The prevention of crime and disorder

SIA Door Supervision from 2200 to 30 mins after closing on days premises open till any hours past midnight

Customers will not be permitted to take drinks outside of the premises to consume whilst smoking.

c) Public safety

d) The prevention of public nuisance

Noise or vibration will not emanate from the premises such as to cause persons in the neighbourhood to be unreasonably disturbed. In general terms, noise from the premises should not be audible within any noise sensitive premises (e.g. dwelling) with windows open for normal ventilation especially after 23:00. This will be assessed from the boundary to the nearest residential properties, on all sides of the licensed premises. After 23:00 – Noise emanating from the premises will not be distinguishable above background levels of noise clearly distinguishable above other noise.

The volume of amplified sound used in connection with the entertainment provided shall at all times be under the control of the Licensee/Management and the controlling mechanism shall be operated from a part of the Premises not accessible to the public.

Noise levels within the premises resulting from the operation of any musical instrument or amplified equipment will be regulated so as to protect the hearing of any employee therein in accordance with current standards.

Prominent, clear and legible notices will be displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly.

No rubbish including bottles will be moved, removed or placed in outside areas between 23:00hrs and 08:00hrs.

The placing of refuse, such as bottles, into receptacles outside the premises takes place at times that will prevent disturbance to nearby properties.

Deliveries of kegs, bottles, food or other materials necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents.
