Re: The Ice Cream Trailer Deposited in the Residents Parking Area of The Spinney.

We, the undersigned, submit this petition to request the removal of an ice cream trailer deposited on the Residents Parking Area since March this year.

Our reasons are:

The vehicle is damaging the hedge of the adjoining property.

The vehicle is parked between two parking spaces. Those of number 26 and 28.

We believe the owner of no. 26 has allowed this vehicle to be parked there. However he does not live in the property and it has been unoccupied since Christmas.

The owner of no. 28 is unable to use his parking space.

The police have been contacted as well as the Council. So far no action has been taken apart from a policeman inspecting the vehicle.

It was discovered that the number plate on the rear of the vehicle belongs to car that no longer exists.

Please take action on this issue to avoid further distress.
