Re: Extension of yellow lines in Winterbourne Close, Hastings.

We are concerned that parking towards the Linton Road end of our estate is causing problems. In particular the lack of clear sight lines and obstruction caused by parked vehicles is likely to give rise to a collision. Through the Winterbourne Close Residents Association we the undersigned hereby petition Hastings Borough Council to install additional yellow lines as detailed below and highlighted on the plan (contained within the original petition).

1. Extend the current yellow line on the corner of Hopparden Close and Winterbourne Close by 10 meters outside number 2 Winterbourne Close
2. Extend the yellow line further down Hillyglen Close outside number 1 Hillyglen Close
3. A new yellow line on the other side of the road at the corner of Hillyglen Close
4. A new yellow line outside numbers 6, 8 and 10 Winterbourne Close
5. A new yellow line on corner outside number 1 Verdant Close
