Re: Road markings and road signs in Quarry Hill, St. Leonards on Sea.

We, the undersigned, submit this petition to request that Hastings Borough Council reinstate/improve the road markings and signage in the Quarry Hill area of St. Leonards. At present both markings and signage is unclear and the signage is obstructed from view. Residents are constantly encountering vehicles travelling the wrong way down Quarry Hill which not only poses a danger to drivers but to pedestrians as well. We ask that before a serious incident occurs these issues be resolved in consultation with local residents as a matter of urgency.
