Re: Anti Street Drinking in Central St. Leonards.

We the undersigned hereby call for new measures to be taken to tackle the growing number of street drinkers which are dominating the streets of Central St Leonards and jeopardising the regeneration of the area. We specifically call upon the Council to use its licensing powers to a) effectively restrict the sale of alcohol to street drinkers b) ban the sale of certain high strength beers and ciders as is being done successfully in other Towns c) Reviewing licences at every opportunity and reducing off license sale trading hours.
