Reasons for Recommendations

The Licensing Act 2003 requires a licensing sub committee to consider such applications when appropriate representations have been made. The decision reached at the sub committee can be subject to appeal by any party to the hearing who is aggrieved by the decision.

Introduction

1.0 Background History

1. On 7th February 2005 the Licensing Act 2003 came into force for all local authorities, marking the practical commencement of the Government's new liquor licensing regime.
2. On the 31st July 2015 Hastings Borough Council received an application for a new premises licence for London Convenience Store, 13 London Road, St Leonards on Sea from Mrs Manorajiny Sivaseejan, 23 Norman Road, St Leonards on sea, TN37 6NH, made under section 17 the Licensing Act 2003. (Attached at appendix A).
3. This premises is a vacant shop that does not hold a licence under the Licensing Act 2003 and is now applying for a new premises licence, a map of the location is attached. (Appendix B.)
4. The premise is located within Area 3 (Central St Leonards) of the Council Special Saturation Policy (Cumulative Impact).
5. The Special Saturation Policy (Cumulative Impact) is contained within the Council's Licensing Policy, it states "Each application will be considered on its own merit. Where no representations are received any application will be granted in terms consistent with the operating schedule. Where relevant representations are received in relation to applications for the grant of a new premise licence, club premise certificate or provisional statement; there will be a presumption against the grant of such licence or certificate unless the applicant, in the operating schedule, can rebut the presumption that the granting of such a licence or certificate would undermine the licensing objectives." Applicants are advised to seek legal advice if making an application for a licence in a Special Saturation Area.

2.0 Application

6. The application requests the following:
 7. To have supply of alcohol for Off sales on Monday to Saturday from 08.00hrs to 23.00 hrs and Sunday from 10.00hrs to 22.30hrs. Special hours for Christmas Day and Good Friday being 12.00hrs to 15.00hrs and 19.00 hrs to 22.00hrs. .
 8. To have opening hours of the premises, Monday to Saturday from 07.00hrs to 23.00hrs and Sunday from 08.00hrs to 22.30hrs.
 9. When submitting an application for a licence under the Licensing Act 2003 the applicant is asked to describe what steps they intend to take to promote the four licensing objectives:-
 - the prevention of crime and disorder,

- public safety,
 - prevention of public nuisance,
 - protection of children from harm.
10. In this case the applicant has made a declaration on page 19 of their application plus an additional sheet.(See appendix A)

3.0 Consultation

11. The Licensing Act 2003 requires an applicant to advertise their application once in a local newspaper and on the premises by way of an approved notice for 28 days to allow for representations to be made, this has been done.
12. Copies of the application are required to be served on a list of responsible authorities at the same time as placing the application before the local authority, this has been done.
13. As a result of this process a representation has been received from Ch Insp Phelps, Hastings Police Commander, he comments on the application and the proposed activities, he also comments on the applicant's failure to demonstrate that there will be no negative cumulative impact as the premises is within the St Leonards town centre saturation zone. He further comments on the existing problems in the area and as part of his application he includes a statement from a local police sergeant. Sussex police invite the sub- committee to refuse the application. I consider this a valid representation under the licensing objectives (Prevention of crime and Disorder) (Attached appendix C.)
14. A further representation has been received from Mr Trevor Scrase, Snr Licensing Officer, Hastings Borough Council he comments on the application and the police response. He highlights the Council Saturation Policy Area for St Leonards on Sea and comments that the applicant has not addressed it in their application. For this reason he invites the Council to apply its own policy and reject the application. (Attached appendix C.)
15. Forty nine other representations have been received from local interested parties, many of which do not conform to the guidance laid down by central government on such matters. However some do comply and I have attached 4 including one from the local ward Councillors. They all comment on the existing problems in the area and how this application will add to those issues. I consider these to be valid representations under the Act. (Attached appendix D).
16. We have received two forms of petitions, one from objectors and one from the applicant in support of the application, both will be available at the hearing along with the other objections if needed to be viewed.

4.0 Legal Considerations

17. The Licensing Act 2003 is now the only legislation that allows premises to be licensed for either the sale of Alcohol or the supply of regulated entertainment.

18. If a relevant representation to an application is made by either a responsible authority or an interested party and no compromise can be reached between the parties, a hearing must be held.
19. The Department for Culture, Media and Sport has issued guidance under Section 182 of the Licensing Act 2003. This guidance is provided to Licensing Authorities to assist them in carrying out their functions.
20. All members of the Licensing Committee have been supplied with copies of the DCMS Government guidance and the Hastings Borough Council Statement of Licensing Policy.
21. Human rights considerations must be taken into account fully in balancing licensing issues, in particular, Article 1 of the first protocol and article 8. Article 1 relates to the protection of property and the peaceful enjoyment of possessions and property. Holding a justices licence would be considered a possession. Article 8 relates to the right to respect for private and family life, home and correspondence. These are however qualified rights and can be deprived of "in the public interest". Interference is permissible if what is done:-
 22. Has its basis in law;
 23. Is necessary in a democratic society to fulfil a pressing need or pursue a legitimate aim;
 24. Is proportionate to the aims being pursued; and,
 25. Is related to the prevention of crime; or, the protection of public order or health.
26. If members chose to refuse the application in full or in part, the applicant has a right of appeal to the Magistrates' Court. There is also a right of appeal to conditions imposed as a result of the hearing by any person affected by the decision.

5.0 Options

27. Grant the application in full

29. Grant the application with conditions relevant to the application
